EMPHIS APPEAL

C FICIAL JOURNAL OF THE CITY. FRIDAY MORNING, :: AUGUST 25, 1871

Baltimore Evening Journal. On the 4th of September next E. M. erger & Co. will commence the pub tion, at 132 West Baltimore street, of a Democratic afternoon paper, to be called the "Baltimore Evening Jour-

Colonel Yerger comes of a family which has long enjoyed high social distinction at the South, and his reputation, polltically, is too well known to our people to need more than a passing reference from us. His partner, Mr. W. H. Cole, counsied last ner, Mr. W. H. Cole, occupied last year the position of Deputy Register, and is now Chief Clerk of the first branch of the City Council. There is managed and ably edited evening paper, and one that advocates Democratic principles is especially entitled and wish for the gentlemen who have undertaken it all imaginable success.

We find the above in the Balti-

ration of the rising generation. The vent them." address of Major George W. Winchester, which appears in our columns this morning, is a model piece of composition - pure, chaste, Doings of the State Geologist-An Ex-Presand elegant, abounding with a richness of language and a beauty of illustration, which charms and captivates all. Those who were so fortunate as to procure seats listened to Major Winchester's address with marked attention, and those who read it will not nesitate to admire its beauty, elevaiton of sentiment and elegance of style. Major Winchester has all the of collecting specimens of all the difgratulate Major Winchester on his effort yesterday, and especially do we Capitol Hill, at Nashville. In future

ast celebration.

The three murders that have octen days have again aroused the inshows that for the future our people fense. Lynch law and vigilance committees are to be deprecated in Amerlence is the natural impulse of the now a member of the court at Washimpetuous temper of the people. To of Southern claims against the Fedthe stability of no form of govern-eral Government. ment is the example of successful reing through its legitimate organism, slaveholders, who came from every slaveholders, who came from every Southern State to gather wisdom at the once famous college at Greenville. The tailor's shop still stands, with no signs of decay, and its former occupant principle is corrupted, and it degenerates into a system of violence. The idea of law and authority must be invested with a sort of sanctity, which no profane touch may pollute with impunity. These constitute the visible majesty of the people, and when once they are treated with contempt. once they are treated with contempt of ina and |Jarnagin of Mississippl and once they are treated with chatempt there is an end of democratic sovereignty. There can be no excuse or necessity urged in an organized committees. No plea can be urged in justification of their revolutionary rule. There is ample scope for the correction of abuse within the sphere of the legitimate power of the people:

of Ina and Jarnsgin of Mississippl and of Tenessee were trained in schools of eloquence in this modest mountaingirt village. There is men, when youths, recognized the native worth of the sturdy ex-President and his first exhibitions of that singular logic-like the people; of the Greenville College, During the of the legitimate power of the people; week he made the apparel of collegi-like there was made to current political events. It was remarked that the result of the recent Kentucky elections illustrated the folly of those who proposed to abandon the creed of the Democratic, and accept that of the Radical party. The Democratic press and candidates in Kentucky adhered to the Seymour plating by inflexible devotion to principle.

He said he never gave expression to opinions for the purpose of having that the result of the recent Kentucky elections illustrated the folly of those who proposed to abandon the creed of the Democratic, and accept that of the Radical party. The Democratic press and candidates in Kentucky elections illustrated the folly of those who proposed to abandon the creed of the Democratic, and accept that of the Radical party. The Democratic press and candidates in Kentucky elections illustrated the folly of those who proposed to abandon the creed of the Democratic, and accept that the result of the purpose of having that the result of the purpose of having that the result of the purpose of having the purpose of having that the result of the Purpose of the proposed to abandon the creed of the Democratic, and accept that the result of the purpose of having th

Lots for Sale in Ida City, on Long island, Naw York.

indes,
I miles from New York city, the Long Island
Hailroad running centrally through ida City.
Lots there are hereby ofered for sale on the
following terms: Fifly dollars cach, on a
credit of ten years, payable in ten annual inatalments—say 55 60 per year on each les.
The parties owning the above property propose to seil to the Southern people one half
of the lots, say 603, on the above terms,
without interest. The Kast River Bridge is
now in process of construction connecting
Manhattan Island, upon which New York is
situated, with Long Island.

This is a good opportunity for any person
of this section or country to invest small
sums in the purchase of these lots. Terms
are easy, and within the reach of all. Property on Long Island will rapidly increase in
value as coun as East River Bridge is completed. Map of the City of Ida can be seen, and full ion given, apon application bein
